Minutes

5:00pm:

Gary Lamell called the meeting to order. Guest Chris McVeigh (resident, Middlesex, welcomed).

5:05 pm: Review RFP's for cemetery maintenance

- Tree work: Hannah Brown noted that an RFP for tree work would be necessary. She will craft an RFP, have Gary approve it, and submit it to Cheryl Grandfield to be posted. RFP's will be due by MCC's next regular meeting, Monday, June 2nd, 2022.
- Grave digging: Hannah Brown informed the commission that most other towns in the area put out an RFP for grave digging as well. We will need to do the same, and will follow the same procedure as for tree work.

5:15 pm: Other MCC business

- Discuss Carr Cemetery washout: Gary Lamell informed the commission that work was completed on moving the culvert on East Hill to its original position; the work is complete as of Monday May 19. Thank you road crew! Gary mentioned the select board may need to talk to the abutting landowner to prevent diverting water toward the cemetery.
- Discuss site visits of cemeteries: The next regular meeting will take place at village cemetery (June 2nd). Gary is placing flags at North Branch Tuesday, May 20.

5:25 pm: Discuss process for filling MCC vacancy: The MCC can appoint a new member to fill Janet McKinstry's vacancy. Hannah will craft a post listing the vacancy and ask for letters of interest to be submitted by June 1st.

5:30 pm: Public comment period, Adjourn meeting: Chris McVeigh commented the commission was doing a masterful job, considering challenging circumstances.
