c. Loop Trail - next steps
d. Progress on knotweed work - (Adrienne)

7:30 - New/Other Business
a. Potential new Conservation Commission members

7:45- Adjourn - next meeting - Tuesday, October 28

Add to agenda for October - **Budget request to Cheryl - how much?**

send Tom Jackman the agenda - see Sandy's email of Oct. 16

Can you add the following to the **Conservation Commission Agenda** for its next meeting:

"Resolution to support Middlesex's 2026 Municipal Planning Grant Application (Action Likely)."
Proposed resolution language:
"The Middlesex Conservation Commission supports Middlesex's 2026 Municipal Planning Grant Application for a project titled ***"Building a Resilient Middlesex Community for the Future"*** which will include work to advance natural resources planning in Middlesex and implement some of the recommendations of the Great Brook Futures Project"

THEN, if the CC votes to approve this, I need a statement from you (**By Oct 31**) as a one page pdf saying this happened:

“On October 28 the Middlesex Conservation Commission voted (unanimously? or identify vote) to pass the following resolution in support of Middlesex’s 2026 Municipal Planning Grant Application.

“The Middlesex Conservation Commission supports Middlesex’s 2026 Municipal Planning Grant Application for a project titled ***"Building a Resilient Middlesex Community for the Future”*** which will include work to advance natural resources planning in Middlesex and implement some of the recommendations of the Great Brook Futures Project”

s/ Adrienne Magida

Adrienne Magida
Chair, Middlesex Conservation Commission

To the board,

I am writing to express interest in joining the Middlesex Conservation Commission. I moved to Middlesex a year ago, and would like to be more involved in my town. I have had some involvement in the trails committee going out and around the town forest and I’m interested to learn more about the forest management, as well as being involved in the other realms of the conservation committee. My experience serving on committees is limited, though I do my best to stay informed and involved in local, state, and national governance. I have experience volunteering at community events in Vermont, and in other communities I've called home, and I have professional experience as a trail builder in Alaska.

I would be grateful to learn more about the operations of the town and the commission, and to share my experience as a land steward, and trail builder.

Thank you for your consideration,

Sage Romey
