"On October 28 the Middlesex Conservation Commission voted (unanimously? or identify vote) to pass the following resolution in support of Middlesex's 2026 Municipal Planning Grant Application.

"The Middlesex Conservation Commission supports Middlesex's 2026 Municipal Planning Grant Application for a project titled ***"Building a Resilient Middlesex Community for the Future"*** which will include work to advance natural resources planning in Middlesex and implement some of the recommendations of the Great Brook Futures Project"

s/ Adrienne Magida

Adrienne Magida
Chair, Middlesex Conservation Commission

Dear Conservation Commission,

I would like to serve on the Commission. I have a long history and background in the natural sciences and environmental education. My undergraduate degree is in Natural Resources, Recreation, and Tourism, and I worked as an environmental educator before earning my Master's Degree and becoming a teacher in Middlesex. Currently, I work as a co-director of Teaching and Learning at the Institute for the Environment and as an Assistant Professor at Saint Michael's College. I am very interested in conserving our natural resources here in Middlesex, and providing opportunities for our citizens to spend time outdoors.

Thank you,

Katy Farber
