a. Recovery Clean Up - is this something we want to do on such short notice?
   Green Up Vermont is ready to help with a Recovery Clean Up scheduled for Saturday, Aug. 26. This event is not to burden towns with another thing to plan or pay for. We simply need to know if you would like our assistance. We will help rally volunteer teams, get supplies distributed, dumpsters in place, and cover the disposal costs of public space litter collected on Aug 26. This is not an event for flood damage and construction debris. We want to help make your town beautiful, clean, and healthy again and in time for Fall tourists to enjoy as well.

Town & City leadership, please contact us by Aug. 16 to be included in our website information. greenup@greenupvermont.org or 802-522-7245.

If you would like to volunteer, please contact us or download the app and select a team near you. Visit http://greenupvermont.org for full details.

Paid for by Green Up Vermont and generous donor support.
