Eric moved to accept the proposed agenda for 10/16/2025, Mike seconded it, all were in favor.

5:05 Team Fix
Eric provided updates on this season's projects:

The re-paving of Lower Shady Rill will take place this week. The paving of the bridge at the bottom of McCullough Hill Road will take place shortly after.

ANR says wrong stone used in replacement box culverts (two on Center Road, one on South Bear Swamp, one on East Hill, and one on Portal Rd) and do not meet the standards with enough fine materials for aquatics. The contractor will work with us however the problem may fix itself with fines running into it by Spring.

5:09 Team Future
Zara provided updates on first meeting of the Facilities Improvements Team first meeting that happened the prior Monday. Discussion followed.
Great Brook project is moving along. Mike will update in future meetings

5:25 Team Funding & Team Friends
Talked about Municipal Planning Grant stages. We will sendf out survey and have result in next meeting in November

Meeting adjourned at 5:31. Next meeting is November 20,2025 at 5pm.
