Thanks for your efforts on the Middlesex Trail Committee. I've been involved in the Calais Trail Committee and know how important this work is at the local level. The name comes from Tim Hayward who lived near the trailhead and frequented the trail. Tim passed away last year and the request to rename the Middlesex Trail to the Hayward Trail was funneled to the Department of Forests, Parks, and Recreation from State Leadership. Here is an article about Tim Hayward which gives more background:

Thanks for reaching out,
